CRITERIA FOR SELECTING RECIPIENTS AND FOR DETERMING AWARD AMOUNT

Financial Need

Financial need is a student's calculated eligibility for financial assistance which is determined by subtracting the EFC (Expected Family Contribution) from the COA (Cost of Attendance).

Many types of financial aid are awarded on the basis of financial need. Financial aid in the form of grants and loans can be awarded to meet your financial need. Most federal student aid programs are awarded based on financial need except for Unsubsidized Direct Loans and Direct PLUS (Parent) Loans.

Expected Family Contribution

Your Expected Family Contribution (EFC) is a number used to determine your federal financial aid eligibility. It measures the strength of your family's resources and its ability to contribute toward your cost of attendance. Your EFC figure is determined by an objective, congressionally approved need analysis formula. It is not the amount of money that your family must provide.

All data used to calculate your EFC comes from the information you provided on the FAFSA. Your family's income (taxable and untaxed) and assets are considered in determining your EFC. Your family size and the number of family members who will be attending a college or career school are also considered. Your EFC is used in this equation to determine your financial need. The EFC Formula Guide can assist you in calculating your EFC.

Cost of Attendance - Expected Family Contribution = Financial Need

Cost of Attendance (COA)

When you apply for federal student aid, the Financial Aid Director uses your cost of attendance (COA) in determining how much aid you can receive. The COA is determined using rules established by law and is the total estimated cost for a student to attend a school for one year.

Cost of attendance expenses include tuition and fees, allowances for housing and food, books, supplies, transportation, miscellaneous and personal expenses and loan fees. Other costs that can be added to COA are dependent care and costs related to a disability. If you have these or other expenses, please contact the Financial Aid Director to see if you qualify to have these included in your cost of attendance. If a student has additional expenses not adequately covered in the standard cost of attendance budget, they must contact the Financial Aid Director and provide documentation to request their budgets be increased. The decision of the Financial Aid Director is final and limited to expenses while attending KCK Beauty & Barber Academy.

How To Apply for Financial Aid

STEP 1- Before completing your Free Application for Federal Student Aid (FAFSA) Application, you will need the following:

- Your Social Security Number
- Your Alien Registration Number (if you are not a U.S. citizen)
- Your most recent federal income tax returns, W-2s, and other records of money earned. (**Note:** You may be able to transfer your federal tax return information into your FAFSA using the IRS Data Retrieval Tool.)
- Bank statements and records of investments (if applicable)
- Records of untaxed income (if applicable)
- An FSA ID to sign electronically.

If you are a dependent student, then you will also need most of the above information for your parent(s).

- Create your FSA ID before you begin to fill out the FAFSA application, this can be done at <http://fsaid.ed.gov>. This is your electronic signature for federal student aid and gives you online access to your U.S. Department of Education records. If you are a dependent student, your parents must also apply for an FSA ID. Only the owner of the FSA ID should create and use the account. Never share your FSA ID. You may request a duplicate FSA ID or change your FSA on the FAFSA website. If you have a Federal Student Aid PIN, you will be able to enter it and link it to your FSA ID. You can still create an FSA ID if you have forgotten or do not have a PIN. Your FSA ID will need to be renewed every 18 months. Students whose last names have changed need to make sure their last name is correct with the Social Security Administration.

STEP 2- Completing your FAFSA application

- Complete a FAFSA as soon as possible after Oct. 1 each year, regardless of the date you plan to begin school, this can be done at <http://fafsa.ed.gov>.
- If you cannot complete a FAFSA online, call the Federal Student Aid Information Center at 800-433-3243 to request a paper copy or contact the schools Financial Aid Office
- Make sure you choose KCK Beauty & Barber Academy school code: **042768**.
- To help eliminate delays, use the **IRS Data Retrieval Tool** to import income information. In certain circumstances, the FAFSA allows a student and/or parent to use information directly from the IRS to complete the financial portion. The school highly recommends this option, if available, as it can speed up the application process. IRS tax information is available two weeks after filing electronically or six to eight weeks if the tax return was mailed.

STEP 3- FAFSA application Follow up

- If you provide all required information and required signatures, your FAFSA will be processed and a Student Aid Report (SAR) will be sent to you and the schools you have listed. Your SAR summarizes the data reported on your FAFSA.
- Three to five business days after you submit the FAFSA, go back to the FAFSA website to review your Student Aid Report for accuracy. Follow the directions on the SAR to submit any needed corrections.
- You do not need to send a copy of your SAR to KCK Beauty & Barber Academy.
- Check your financial aid status by contacting the school's Financial Aid Office to determine what items you may need to complete for your individual financial situation.

If you complete your entrance counseling to borrow a loan as an undergraduate student, then the entrance counseling fulfills counseling requirements for Direct Subsidized Loans and Direct Unsubsidized Loans.

Exit Counseling

If you are graduating, withdrawing, or dropping below half-time, you must complete Student Loan Exit Counseling at <http://www.studentloans.gov>. Exit counseling provides important information you need to prepare to repay your federal student loan(s).

If you have received a subsidized, unsubsidized or PLUS loan under the Direct Loan Program or the FFEL Program, you must complete exit counseling each time you:

- Drop below half-time enrollment
- Graduate
- Leave School

At the end of the exit counseling session, you will be asked for information that will be included as part of your loan records. You must provide the following:

- Names, addresses, e-mail addresses and phone numbers for:
- Your next of kin
- Two references who live in the U.S.
- Your future employer (if known)

Loan Agreement (Master Promissory Note)

The Master Promissory Note (MPN) is a legal document in which you promise to repay your loan(s) and any accrued interest and fees to the U.S. Department of Education. It also explains the terms and conditions of your loan(s). Unless your school does not allow more than one loan to be made under the same MPN, you can borrow additional Direct Loans on a single MPN for up to 10 years. Your school will tell you what loans, if any, you are eligible to receive.
